The Democratic candidate for Ohio Attorney General is calling for "an end to the culture of corruption and cronyism" in the Statehouse.

Subodh Chandra told Hardin County Democrats Saturday at their Presidents' Day Dinner that the Republican system in place for the past 12 years "is designed to steal, loot our future and give it to their friends."

Chandra, who just finished his term as Cleveland's Director of Law, was the

Winner of record jackpot remains mystery

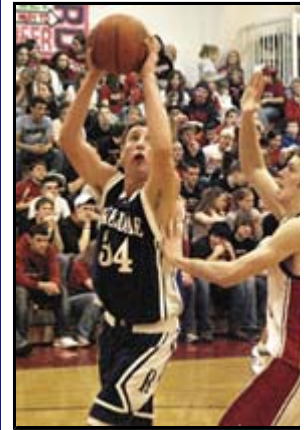

LINCOLN, Neb. (AP) - Whoever won the nation's biggest jackpot has an open invitation to return to the convenience store where the winning ticket was bought and share the wealth.

"If I sold the ticket to them I hope they'd share in the winnings at least, even one-tenth of a percent would suit me just fine," said Stacey Carey, a clerk at the U-Stop on West O St.

No one had come forward Sunday to claim the record \$365 million Powerball jackpot, said Nebraska Lottery spokesman Brian Rocky. With the office closed for Presidents Day, the winner may not be known until Tuesday, if then.

Jim Haynes, acting director of the Nebraska Lottery, said large jackpot winners "tend to wait until they have sought legal counsel or financial counsel." The winning numbers drawn Saturday were 15, 17, 43, 44 and 48, with a Powerball number of 29, according to the Multi-State Lottery Association of Des Moines, Iowa, which runs the game for the participating states.

Falcons outscore Red Devils in Arlington

ARLINGTON - Riverdale won a 20-15 victory over Blanchard Valley Corvair in a championship game on Saturday. The Red Devils were outscored 20-15 in the first half and 15-6 in the second. Then one of the worst things could happen to the team happened. Scott Kincaid, the team's top scorer, fouled out on his third foul and was benched.

The Red Devils, who had won the last four points to cut the point deficit to one, could not overcome Riverdale 15-6 over the last 10 minutes of the half to point into the locker room. The team was never able to fulfill its potential, falling 60-47 to its home neighbors.

Riverdale falls to 5-1 in the season, while Arlington falls to 15-4.
